Export of Cotton and Hank Yarn

1189. SHRI PRAGADA KOTAIAH:
SHRI RAM JETHMALANI:
SHRI RANJIT SINGH:
SARDAR JAGJIT SINGH AURORA:

Will the Minister of TEXTILES be pleased to state:

(a) what is the quantity of cotton yarn actually exported in the year 1990-91 and also in the year 1991-92 (upto July-1991);

(b) what is the quantity of hank yarn exported in the years 1990-91 and 1991-92 and to which countries it was exported;

(c) whether Government have realised that yarn exports have resulted in the unprecedented increase in yarn prices in the country causing hardship to domestic consumers and closure of several textile mills in eastern part, southern part and in Panipat, Haryana; and

(d) what are the arrangements made to stabilise the prices of cotton yarn to help handlooms?

THE MINISTER OF STATE (INDEPENDENT CHARGE) OF THE MINISTRY OF TEXTILES (SHRI ASHOK GEHLOT): (a) According to the figures of Cotton Textiles Export Promotion Council, total exports of cotton yarn amounted to 90 million kgs in 1990-91 and 43 million kgs during the period April-July, 1991.

(b) Separate statistics of yarn exported in the hank yarn form are not maintained. However, export of hank yarn upto 60s counts is not allowed.

(c) It would not be correct to attribute rise in cotton yarn prices to exports as the cotton yarn exports constitutes only about 6 per cent of the total cotton yarn production. Furthermore, cotton yarn exports during 1990-91 did not affect the supply of yarn for domestic industry as production of yarn also increased correspondingly.

(d) With a view to further increase the availability of hank yarn and also to check the rising trend in hank yarn prices noticed during the recent weeks, Government has directed the National Textile Corporation and the State sector spnning mills to augment production of hank yarn of counts 40s and below by suitably adjusting their production pattern.
